Scott,

Just a suggestion:

Rather than saying *"The EPA would like to meet with you by WHEN to discuss this matter."* You may want to say something like: *"Please contact WHO by DATE to schedule a meeting to discuss this matter."*

Thanx,  
Darrel

Darrel,

I've revised our "invitation to negotiate" to Pretty Prairie, and indicated to them that they need to have a Order to fix their nitrate problem with KDHE or EPA. This would precede a formal NOV, which would then start the clock ticking to have a state order in place.

Please let me know if you have any thoughts/comments on the attached. We'd like to get it sent out next week.

Thanks
